## November 6, 2018

Find us on

**THIS NOVEMBER, voters have the opportunity to provide New Mexico's colleges, universities and specialty schools with the ability to ensure students have the resources they need to get an education and succeed - helping our state realize a brighter future!**

**Here are the facts:**

- **65% of all jobs available** in the U.S. will require at least some college education by 2020.
- People with an associate's degree are **twice as likely to have a job** as those with only a high school diploma.
- People with a bachelor's degree are **three times more likely to be employed.**

Higher Ed  
**Bond D**  
would create  
**1,300 new jobs**  
& impact students  
throughout  
the state.
